Be ready to enjoy a delicious welcome dinner at a private Cuban paladar while enjoying the most amazing spectacle from members of the well-known Buena Vista Social Club. Take into account that a paladar is a small, family-run restaurant. This means you are contributing to the economic well-being of some Cuban families.</p> <p>Your driver will be ready at midnight to take you back to your accommodation place. In case you want to stay to continue enjoying the music, please, bear in mind you'll have to take a taxi on your own for the way back.</p>

July 5th-9th, 2024

5 days / 4 nights

11/11 meals (4/4B, 3/3L, 4/4D)

Cienfuegos is an elegant small city with an eclectic style mix. It was founded by French settlers in 1819, so you'll notice the French influence once you walk its streets during the tour of its historic center. While walking its boulevard, don't forget to visit the handicraft markets and the statue of Benny More located at the longest Prado of Cuba. Delight your paladar with a delicious Cuban lunch right in front of the Bay. Enjoy the view and the breeze of this city that enchants and discover the reasons why the famous Cuban musician Benny More said: "Cienfuegos es la ciudad que más me gusta a mí" (in English: Cienfuegos is the city I like the most).

After lunch, you'll continue to the **Palacio de Valle**, a spectacular palace from 1917 with an outstanding architecture and history behind its walls. Each of its 3 towers - tower of Strength, tower of Religion and tower of Love - hides a great story. Do you want to discover it? Be patient, you will do it while spending an excellent time at its terrace bar with **Jorgito Karamba**, director and leader of the Cuban Pop Rock band Karamba and President of the Festival Ciudad del Mar. During this exchange, besides enjoying good music in an informal way, you will be able to learn about the private businesses that many artists -like him- develop in the beautiful island and how this supports the Cuban entrepreneurs. Jorgito Karamba is well known in the island and abroad not only for his music but also for his private business named "360 Producciones S.R.L". This project is a leader in the development and production of music festivals and events of all kinds inside and outside Cuba. "360 Producciones" also manages content, promotes, designs and markets the businesses of other entrepreneurs who require its services. They are the promoters and organizers of festivals such as: Un puente hacia La Habana, San Remo Music Awards Cuba, Mi Habana Baila and Ciudad Del Mar, among others. Learn a little bit more with this charismatic "amigo" and make him your "amigo" también.

Time to return to your casa, take a shower and get ready for dinner. After dinner, continue enjoying the public activities planned by the festival of alternative music Ciudad del Mar.
